

# Tex-MAT

## CORRUGATED RUBBER MATTING

### General Properties and Applications

Long lasting, corrugated rubber matting ideal for a variety of industrial applications including offices, plants, workshops, ships, schools, locker rooms, and other areas where floor protection is needed. Black rubber matting is resistant to stains and tearing. Conforms to ASTM D2000-M2-AA703-A13-B33-EA14 specifications.

**Tex-MAT Clean Easy** is available in two styles:

- Fabric Impression Back
- Smooth Back

#### ► Fabric Impression Back

Width (in.)	x	Gauge (in.)	Part Number	Ln Ft/ Roll	Sq Yds/ Roll	Lbs/ Roll
