HOSE Safety Awareness Month

TEXCEL

5 WAYS TO BE A HOSE SAFETY HERO

PROTECT YOUR TEAM. PREVENT PROBLEMS. BE THE HERO.

INSPECT BEFORE YOU CONNECT

Look for any cuts, cracks, abrasions, kinks, or leaks before installation.

SECURE YOUR CONNECTION

Verify fittings and couplings are matched and properly fastened.

USE THE RIGHT HOSE

Confirm pressure, temperature, and application requirements.

ROUTE HOSES PROPERLY

Prevent twisting, crushing, rubbing, and excessive bending.

KEEP WALKWAYS CLEAR

Remove trip hazards and keep work areas organized.
