

BALTHAZAR™ PLUS

Winery Hose

BALTHAZAR™ Plus winery hose is a smooth covered hose formulated for the suction and delivery of wine, fruit juice, and soft drinks. The BALTHAZAR™ Plus hose has a white, smooth Butyl tube to ensure food quality and is odorless and does not alter taste. Its high working temperature allows for the sterilization of the hose with steam at 230°F for 30 minutes. Meets FDA title 21 part.177.2600(e) for liquid foods, BfR, ADI free, EC 1935 / 2004.

TECHNICAL DATA

Tube	White, Butyl
Cover	Gray, EPDM
