

# TEX-DREDGE

## Dredge Sleeve

A rugged, abrasion-resistant tube and cover for flexible connections between pipes used in dredging applications.

### TECHNICAL DATA

Tube	Black, $\frac{3}{8}$ ", abrasion-resistant SBR compound
Cover	Black, $\frac{3}{32}$ ", weather and abrasion-resistant SBR
Reinforcement	High tensile synthetic plies
Safety Factor	3:1
Temperature	-20°F to +180°F
