

MUNRO GROOVED-END CAPS

Cap M7160

Traditional butterfly valve to camlock assemblies are heavy, time consuming to assemble and difficult to use. We applied our engineering expertise and 40+ years of industry knowledge to design something better.

TECHNICAL DATA

Composition Ductile iron, non-lead orange rust-inhibiting paint coating, ASTM A536, Grade 65-45-12

Nominal Size	Pipe OD	E-E	Approx. Weight	Model Number
in/mm	in/mm	in/mm	lb/kg	
2 50	2.375 60.3	1.00 25	0.6 0.27	M7160X2
3 80	3.5 88.9	1.00 25	1.0 0.45	M7160X3
